OPEN HOUSE

At last the end of our school days fades away . . . Our four years of study . . . cherished friendships . . . school work and school activities have slowly faded away . . . A new life lies ahead . . . fame and fortune for some, disappointment and heartache for others . . . each one out to seek success . . . As we approach the future we shall always remember our class motto, "Live your own life for you will die your own death."

AND SO GOOD-BYE
